

Vote "YES" on Water Supply Powers

A referendum to protect Kingston's Municipal water

General Election Day is November 3rd, 2015

Polls are open from 6:00am - 9:00pm

**You will be given an important CHOICE but you must
TURN OVER YOUR BALLOT to VOTE!**

Today, Kingston's City Charter excludes the public from having a VOICE in how our water source is sold outside of Kingston's city limits. During the Niagara Bottling proposal, our community learned just how dangerous that was. Thanks to the work of many citizens, stakeholders, partners and elected officials at this year's general election on November 3rd, voters in Kingston will have the great opportunity with a CHOICE to include their Common Council on all water sales outside of Kingston.

**The Water Sales Referendum will be on the BACK OF THE
BALLOT, so you must TURN OVER YOUR BALLOT to vote!**

***Take back your water by voting on the BACK OF THE BALLOT.
Vote YES to have a voice in the sale of Kingston's Municipal Water
Supply outside of Kingston's corporate boundaries!***
