Re: Request for Zoning Interpretation  
Kingstonian Project

Dear Ms. Svenson:

This office is in receipt of your letter dated September 9, 2019 on behalf of KingstonCitizens.org and hereby acknowledges your notice of appearance as counsel.

As you are likely aware, the Kingstonian project is currently before numerous City Boards and Commissions and the Kingston Common Council. Your client has continued to assert an interest and a public position regarding each of the pending applications.

We are hereby requesting that in order to comply with the Code of Professional Responsibility, henceforth, all communications regarding the Kingstonian with officers of Kingstoncitizens.org, including but not limited to Rebecca Martin, Tanya Garment, Marissa Marvelli, Jennifer O'Donnell and Lynn Eckert, shall be through counsel.

Please be further advised that City Officials and Board and Commission members involved in the review of the Kingstonian project have also been advised that they are not to speak directly to these individuals as they are represented by counsel.

These steps are necessary in order to protect the development of the record in a contested matter which likely will result in litigation.

We trust that you will meet with your clients and advise them to respect these parameters regarding communications and that they will comply with these necessary restrictions.

Very truly yours,

A handwritten signature in blue ink that reads "Kevin R. Bryant".
