Hi Elisa and Janet,

I spoke with Elisa this morning about my FOIL request of 4/15/2020. I have since given the question of closing it out some more thought. Even though the proposal essentially died in committee, for now, I would still like to understand this process more than I do, so have decided not to retract the request. However, if you could provide me with the requested information from just April 1st through April 14th, 2020, that would be satisfactory.

Thanks very much for your work during these strange and difficult times.
